

Waiting Areas

Waiting Areas/Lobbies

- > Corona Group offers unique Intersection Divider Systems that enhance your ability to define and enhance space within a waiting area or lobby.
- > Intersection can be customized with a variety of materials to create dividers not bound to a wall; and create specific areas in almost any healthcare environment.
- > Select from a range of materials: Glass, Acousticolor, Wood, Metal or Fabric.
- > Intersection Dividers provide the ability to define specific spaces in almost any open environment.
- > Strong, lightweight frames available in satin anodized aluminum or powder coated.
- > Contact Corona Group for fabric, Acousticolor and other usable materials, as well as pricing information.
