Corona Group Glassboards provide the beauty and high-style you know will make your project an unqualified design success.

But if budget is an issue, CPS (Corona Porcelain Steel) Porcelain Enamel Markerboards provide a product that performs like glass but at **one-third to half** the cost. And our Markerboards come with a lifetime warranty against delamination and discoloration. Add our EXIMO Cleaning System and your Markerboards stay just like new.

Remember, Corona Group is the only company that offers the widest selection of the highest quality glass and porcelain writing surfaces. Contact your local Corona Group Rep for more information.

Note: Budget Price - is an industry term meaning the approximate price an End User might pay for the product.
