

Notice Boards

Notice/Tack Boards

- > From a wide range of Individual fabric choices to our ACOUSTICOR acoustic panels, which come in 20 different colors, our Notice/Tack Boards can be tailored to match any specific room color palette and environment. Offered in a number of different framed and frameless applications and styles.
- > **elements Series** and **VIP Series Boards** offer framed solutions in multiple sizes and configurations, as wallboards and mobile boards.
- > **Merge Rail** offers a frameless Acousticor application laminated to a porcelain markerboard on the reverse side. Merge Rail comes in a wide variety of sizes and configurations.
- > **Intersection** and **VIP Plus** applications offer divider options in various widths and heights to help divide space and create more intimate environments.
- > **Desktop Divider** applications offer framed and frameless options that provide safe distancing in benching and conference/meeting/educational environments.
- > **Acousticor Space Dividers** in frameless Acousticor acoustic panels available in a wide range of sizes and configurations.
- > **Custom Materials** are also offered, such as Cork and other custom materials.

Please contact Corona Group for information on custom applications, pricing and sizes.
