

Unique Solutions

## Unique Solutions

- > **Panel System Inserts** Custom backpainted glass and porcelain markerboards to fit various panel systems. Available in Glassboards, CPS Porcelain Enamel Markerboard or Chalkboard panels.
- > **Desktop Screens** Double sided backpainted magnetic or non-magnetic glass panels. Framed magnetic porcelain panels or fabric/acoustic panels. Also frameless acoustic panels available. All custom sized to fit your desktop system.
- > **Glass Table Tops** Frameless glass panels are available in three glass styles: Basic (green tint), Classic (Starphire-pure white) or Satin (Starphire, non-glare). And as with all Glassboards, they are available in almost any color and custom graphics are also applicable.
- > **Acoustic Panels** Double sided fabric or acoustic panels for coronaVISUAL Sliding Wall Panels.
- > **Accessory Packs** Basic, Premium and Premium Plus Accessory Packs are available for glass and porcelain boards.
