

Merge
Frameless Porcelain Markerboards

Merge Frameless Porcelain Markerboards

> **Merge** combines the quality writing surface of porcelain steel with the clean, minimalistic look of frameless glass for 30-40% less than glass.

> **Merge** is magnetic, guaranteed to clean like new, suitable as a projection surface and warranted for life. The Knife Edge version appears to "float" on the wall, just like a video monitor or TV screen.

> **Merge** is perfect for:

Markerboards
Benching Screens

Frameless wall cladding
System-Furniture Tiles

Modular Wall Skins
