

VIP Combiboards

VIP Combiboards

> The stylishly simple frame creates a tranquil environment for matching multiple surface boards. Combiboards can combine Markerboards, Glassboards, Notice Boards in fabric, ACOUSTICOR acoustic panels, 100% recycled rubber or Chalkboards.

VIP Combiboards come in two configurations: with a single rail top track that allows for creating a bi-level presentation system; or a double rail top track that allows for a tri-level presentation system. The double rail track also includes ball bearings for hanging paper.

> The VIP Combiboard is available in any size up to 236.5" w(600cm). Available in any size up to 192" with standard lead time. For custom sizes and lengths greater than 192", contact Corona Group.
