

VIP Notice Boards

VIP Notice Boards

- > The stylishly simple frame clears away the confusion of the sometimes cluttered appearance of the generic tack board, creating a tranquil environment. With individual fabric choices or ACOUSTICOR acoustic panels, the VIP Notice Board can be tailored to match any specific room color palette.
- > The VIP Notice Board has a sliding track allowing it to be combined with other boards in the system, ensuring practical and elegant design.
- > The VIP Notice Board is also available in custom sizes.
