Frameless Glass Marker Boards
for Healthcare Applications

> Custom Sizes and Colors Frameless Glass Marker Boards can be created in a variety of custom sizes and colors for almost any Healthcare Application.

> Tempered Glass Glass Marker Boards are tempered glass; available in ¼" and ⁵⁄₃₂" thickness and can be magnetic, opaque or translucent, and with or without Radius corners.

> Custom Graphics and Logos Custom graphics and logos that will not fade or scratch can also be added. Background colors can even match paint sample colors from almost any source.

> Mounting Multiple mounting options are available for most versions including laminated glass: framed, concealed brackets, various standoff versions, direct adhesive and desking and panel system mount.

> Applications For classrooms, conference rooms, private offices, nurses' stations, patient rooms, desking and panel systems and anywhere a writing surface is needed.
