

elements Series Tri-Leg Divider

elements Series Tri-Leg Room Divider

> ***elements* Tri-Leg Divider** —A simple frame of anodized aluminum is the foundation of the *elements* Series.

> ***elements* Tri-Leg Divider** makes use of Glass, Decorative Glass, CPS Porcelain, Acrylic, ACOUSTICOR, or in combination to create a mobile board that is the ideal solution to create the dividers that assist in adherence to social distancing measures within an office environment

> ***elements* Tri-Leg Divider** is a single board with a single material or material on each side creating a two-sided board. It comes standard with a cast aluminum base and lockable casters.

> ***elements* Tri-Leg Divider** standard sizes: up to 78" high including casters widths from 30" to 60." Custom sizes and configurations available.
