

Intersection Weave

Intersection Weave Divider System

- > Intersection Weave is a stunning divider system that enhances your ability to define and enhance a space in a unique way. It can be customized with a variety of materials to create a divider system not bound to a wall.
- > Select from a range of pliable materials, such as Wood, Metal and Felt.
- > Weave provides the ability to define specific spaces in almost any open environment.
- > Strong, lightweight frames available in clear satin finish or black.
- > Contact coronaVISUAL for fabric, Acoustikor and other usable materials, as well as pricing information.
