

elements Series Tri-Leg Room Divider

elements Series Tri-Leg Room Divider

- > A simple frame of anodized aluminum is the foundation of the coronaVISUAL *elements* Series.
- > The new *elements* Tri-Leg Room Divider makes use of traditional elements such as porcelain enamel steel (white and chalk), fabric, acoustical fabrics, even 100% recycled rubber, creating a mobile board that doubles as a presentation board; And with its three-legged foot print and slim profile, it's ideal for dividing open office environments into smaller working spaces.
- > The *elements* Tri-Leg Room Divider is a single board with material on each side creating a two-sided board. It comes standard with a cast aluminum base, lockable casters.
- > *elements* Series Mobile Board standard sizes: up to 78" high including casters widths from 30" to 60"
