

Intersection Media

Intersection Media AV Presentation/Divider System

- > Intersection Media is a unique divider system that enhances your ability to divide space, capture ideas and integrate AV/Digital capabilities.
- > An ideal application that provides the ability to divide spaces; create presentation areas for brainstorming, group meetings or wherever you need to provide digital presentations and have a surface to capture and share ideas.
- > Select from a wide array of standard and custom materials. Standard materials can include Glass, Porcelain Markerboards, Fabric or ACOUSTICOR panels, wood, and perforated steel or mesh.
- > Strong, lightweight frames available in clear satin finish or black.
- > Intersection Media can be designed to fit your space and unique requirements.
- > Contact coronaVISUAL for fabric, Acousticor and other usable materials, as well as pricing information.

Note: AV equipment not included.
Contact coronaVisual for coordination and integration.
